Additional ELP Information:

Education Act (Section 65)

Subject to subsection (2), no teacher is eligible to be employed or to continue to be employed as principal of a school under subsection 63(1) unless the teacher holds a certificate of eligibility as principal issued in accordance with the regulations.

(2) A teacher who does not hold a certificate of eligibility as principal may be employed as principal of a school where the Deputy Minister responsible for the Department of Education, Culture and Employment is satisfied that the prescribed conditions governing that employment are satisfied.

A teacher referred to in subsection (2) who does not obtain a certificate of eligibility as principal within two years after the day that the teacher is employed as principal is not eligible to be principal of any school until he or she obtains a certificate of eligibility.

S.N.W.T. 1996,c.10,s.20.

Notes:

The deadline for submitting an application to ECE to attend ELP, Phase 1 is May 30, 2020. Applicants, who are not current or newly hired principals, must have completed two years of teaching in the NWT (by June 30, 2020) before attending the ELP.
