

This list of professional development conferences is provided as a service to members. The NWTTA does not necessarily endorse the conferences, but rather collects this information from Members' past participation in the events. If you have attended or registered for a conference that you think others would be interested in knowing about, please send the information to [pd@nwtta.nt.ca](mailto:pd@nwtta.nt.ca) and it can be added to the list.

Take careful note that many of this year's conferences that have not been cancelled are being offered virtually, or as a hybrid (virtual and in person). Also note that some conferences are planning to be live events, but have indicated that they could switch to virtual if needed.

There are some live conferences though, but before registering as always make sure that you will have permission to go. Duty travel may still be curtailed this year, so always get permission first. All Alberta conferences are either cancelled or virtual at the direction of the Alberta Teachers' Association.

This list will be updated periodically as we get more information from conferences. You can always call the NWTTA if unsure about your regional PD fund entitlements.
