

## Education Leadership Program, Phase II ~ Fort Smith

### A note about TRANSPORTATION!

This summer's Education Leadership Program (ELP) begins on the evening of Saturday, June 29, 2019 @ 7:00 pm with a meet and greet dinner, followed by a short orientation session. The dinner and orientation session will take place at the cafeteria in Breynat Residence, a part of Aurora College in Fort Smith.

Northwestern Air Lease (NWAL) does **not** have any flights to Fort Smith on Saturdays.

The Department of Education, Culture and Employment (ECE) has arranged for a charter from Yellowknife to Fort Smith on Saturday, June 29. **The charter flight will depart from the Air Tindi base in Yellowknife at 5:40 pm.** This charter will be useful for those who live in the Beaufort-Delta, Sahtu, and Tłchq regions as well as Yellowknife and Łutsek'e. It may be useful to some coming from the Dehcho.

This flight is a charter so arrival 20-30 minutes before the 5:40 pm departure time is sufficient. The cost of a seat on this one way charter flight is \$275. Regular one way flights on NWAL are \$465 so this is an option with value. There is no need for payment in advance to have a seat on the June 29 charter flight. You must inform ECE that you would like a charter seat.

ECE will invoice the NWTTA from the \$2,500 available in reimbursement funding for GNWT, NWTTA members who are attending ELP 2019 in Fort Smith. These costs are:

- \$800 course fee
- \$250 food/accommodation fee
- \$275 (only for those that have requested a one way charter seat for June 29)

#### **Total \$1,325**

\$1,175 will remain from the \$2,500 available from the NWTTA for other eligible costs. For YK1 and YCS, NWTTA members approved for ELP, the \$275 per seat cost of the charter will be invoiced to YK1 and YCS (only for those with YK1 or YCS funding approval from their Superintendent).

**If you have any questions about the ELP one way charter, please contact Colleen Eckert at [colleen\\_eckert@gov.nt.ca](mailto:colleen_eckert@gov.nt.ca) or cell 867.445.2074.**
